

Benefit Recovery Investigation Tracking System (BRITS)

Updates 8.17.17

- BRITS version 1.1 was released on July 17, 2017.
- Bureau of Working Families (BWF) issued Operations Memo 17-18 on July 31, 2017.
- Claims discovery and development continues: Business Requirements have been completed for W-2 Overpayment Claims, Job Access Loans (JALs) and currently finalizing Emergency Assistance (EA) claims.
- Seeking BRITS feedback- Due by 8/21/17:
 1. How has your agency been using the BRITS application? What is helpful? What is not helpful?
 2. How has your agency been using the BRITS WebI reports? What is helpful? What is not helpful?
 3. With the release of BRITS V1.1, what are your agency's current training needs for BRITS? (This may also include BRITS WebI training needs.)
 4. Does your agency have any additional feedback on the BRITS application or WebI?
